

South Staffordshire and District Beekeepers Association

Our teaching apiary is based on the Shugborough Estate where we meet throughout the spring and summer

We are presently organising 'taster' days where people can come along and look at the bees and get some idea of whether they are really interested in taking training to become a beekeeper.

We also explain the workings of the hive and provide valuable information about safety checks when handling bees.

We are an informal and friendly group that includes people from many walks of life and if you decide to arrange a visit to us, you will be made very welcome.

The Association also runs a beginners course in beekeeping each year. If you are interested in booking a place on the course please contact one of the following club members listed below.

Chris Shaw	President	01922 413864
Paul Twibill	Chairman	01902 752136
Lynne Lacey	Secretary	01543 432202
David Battersby	Committee Member	01543 503933

Further information about our Association is available on our website: southstaffsbeekeepers.co.uk
