NB. The closing date for exam entries to the BBKA is 30th September 2021.

The cost of exam entry is £30.

Let me know if you intend to take the exam by 15th September so I can send out the application form and for you to send it completed, with your money to the BBKA and for them to process your application, all in good time.

There is no cost for the study group and there is no pressure to enter for the exam.
